Subject: Continuance of the additional staff sanctioned for work in connection with the verification of the dates of birth of the Gazetted Officers.

--

With reference to Government Order No. 9962-63/C.B.180-50-2 dated the 10th October 1950 sanctioning the continuance of the clerk on Rs 40/- per mensem and the allowance of Rs 20/- per mensem to Sri N. Rama Rao, clerk of this office, for work in connection with the verification of the dates of birth of Gazetted Officers, for a further period of three months, I have to state that the work for which the staff and allowance were sanctioned has not yet been complated, but has been on the increase of late. So far as the officers of this Department are concerned, declarations have been sent from all but five officers who were promoted by me to the Gazetted rank recently pending approval of Government and final reports are due to Government in respect of ten of them about whom correspondence is going on with the institutions or offices concerned. In regard to the officers of the other Departments and the Secretariat, till the third week of this month as many as 812 cases of officers were dealt with and final replies sent to Government in respect of all but 69 of them and the question regarding the latter is under correspondence with the institutions or offices concerned. Since then, further references have been received from Government or other Departments in respect of about 140 other officers and the institutions

p.t.o.

or offices concerned are being addressed about them. There appear to be still a large number of other officers about whom references may be expected. In addition to fresh cases, references are being received daily from Government asking for further information or clarification in the cases of officers whose dates of birth have been already obtained and furnished.

In the circumstances explained above, it is necessary to continue the existing arrangements for clerical work in this office for a further period of three months. I therefore request that sanction may be kindly accorded for the continuance of the existing arrangements approved in the Government Order dated the 10th October 1950 referred to above, for a further period of three months from the 26th December 1950. In anticipation of sanction of Government I have continued the arrangements and requested the Auditor to admit the claims as before. My action may be kindly approved.

Yours faithfully,

DIRECTOR.
